- Real-time order and screening status
- Configurable account and notification setup

Recruiting top talent is critical for the success of any organization

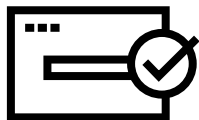

Integrating HireRight employment background screening with SilkRoad Technology allows you to hire quality employees more quickly, saves your organization time and money, and improves both the candidate and recruiter experiences.

SilkRoad Technology is the global leader in strategic onboarding for organizations of all sizes and complexities. SilkRoad RedCarpet Onboarding delivers personalized and engaging experiences for employees, starting with the candidate to new hire experience. Supporting employee transition points throughout the career lifecycle, SilkRoad enables measurably better business outcomes. Upon offer acceptance, the employee journey begins with the preboarding experience including fully integrated background check with HireRight.

The integration is easy to implement, with no middleware or development required. Future solution enhancements help promote long-term ROI. HireRight has a team of experienced pre-sales and technical consultants that are dedicated to the integration solution and delivering an efficient implementation experience for you.

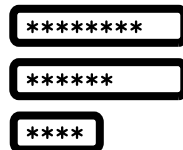

Through our partnership and integration solution, HireRight and SilkRoad Technology are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.
